

The U.S. Environmental Protection Agency

Invites You to Participate on a

Poster Session

And

Community Meeting

Eastern Conservation Area: UXO – 1

Where: Multiple Use Center

When: April 17, 2013

Time: 4:00 pm to 8:00 pm (Poster Session)

6:00 pm to 8:00 pm (Community Meeting)

The purpose for this activity is to dialogue with community members about the findings of the environmental investigations and possible remedial alternatives for the Eastern Conservation Area: UXO – 1 Site.

At 4:00 pm EPA will start a Poster Session to provide the opportunity for community members to have a one-on-one dialogue with EPA on the findings and possible remedial alternative for the Site.

At 6:00 pm EPA will conduct a Community Meeting to present the findings of the environmental investigations and the possible remedial alternatives to the community.
